Nursery fees are charged on an annual basis with an allowance for closure between Christmas and New Year, four further weeks for Bank Holidays and for other family holidays which may be taken at any time. The annual fee is payable in twelve equal monthly instalments (52/12) in advance of the 1st of each month.

To accept an offer of a monthly place, please complete a Registration Form with the deposit equivalent to one month's fees. The deposit payable for children eligible for FEEE is based solely on the charge related to unfunded attendance and services, no deposit is taken for funded hours. By submitting the Registration Form you confirm your acceptance to our Terms of Attendance - www.seymourhouse.co.uk/terms-of-attendance.

The nursery provides year-round, full day care from the end of maternity leave to school age. Fully funded, term-time only sessional places are offered free subject to availability. Priority is given to younger children moving up to ensure they receive continuity of care.

Free Early Education Entitlement (FEEE)

All children are entitled to either 570 or 1140 hours of free entitlement per year (15 or 30 for each term-time week of the year) from the beginning of the term after their third birthday. The fees above include 30 hours of free entitlement stretched equally over each day of the year. Please speak to the Nursery Manager if you are not eligible for the Extended Entitlement. In order to synchronise this funding with regular monthly payments, the terms are deemed to start on the 1st September, 1st January, and 1st May. The funded hours are provided entirely free, any balance due is for additional hours and services.

Reducing the cost of Early Years Education

Visit www.childcarechoices.gov.uk for more information about eligibility for Government support with the cost of early education and childcare.

The Governments Tax free childcare scheme reduces fees for eligible parents by 20% up to £2,000 per child, per year. Parents are responsible for the full fee until payment is received from their Tax-Free Childcare account. To ensure payment reaches the nursery in time, please ensure payments are made to HMRC no later than the 25th of the month before fees are due on the 1st.
